## HES

**HANCHETT ENTRY SYSTEMS, Inc. (HES)** is a leading provider of electro-mechanical locking solutions and support. For decades, they have developed ground-breaking new solutions like the 5900 concealed electric strike, the surface mounted 9600 electric strike, and the new 8300 Fire-Rated electric strike that retrofits into fire-rated frames.

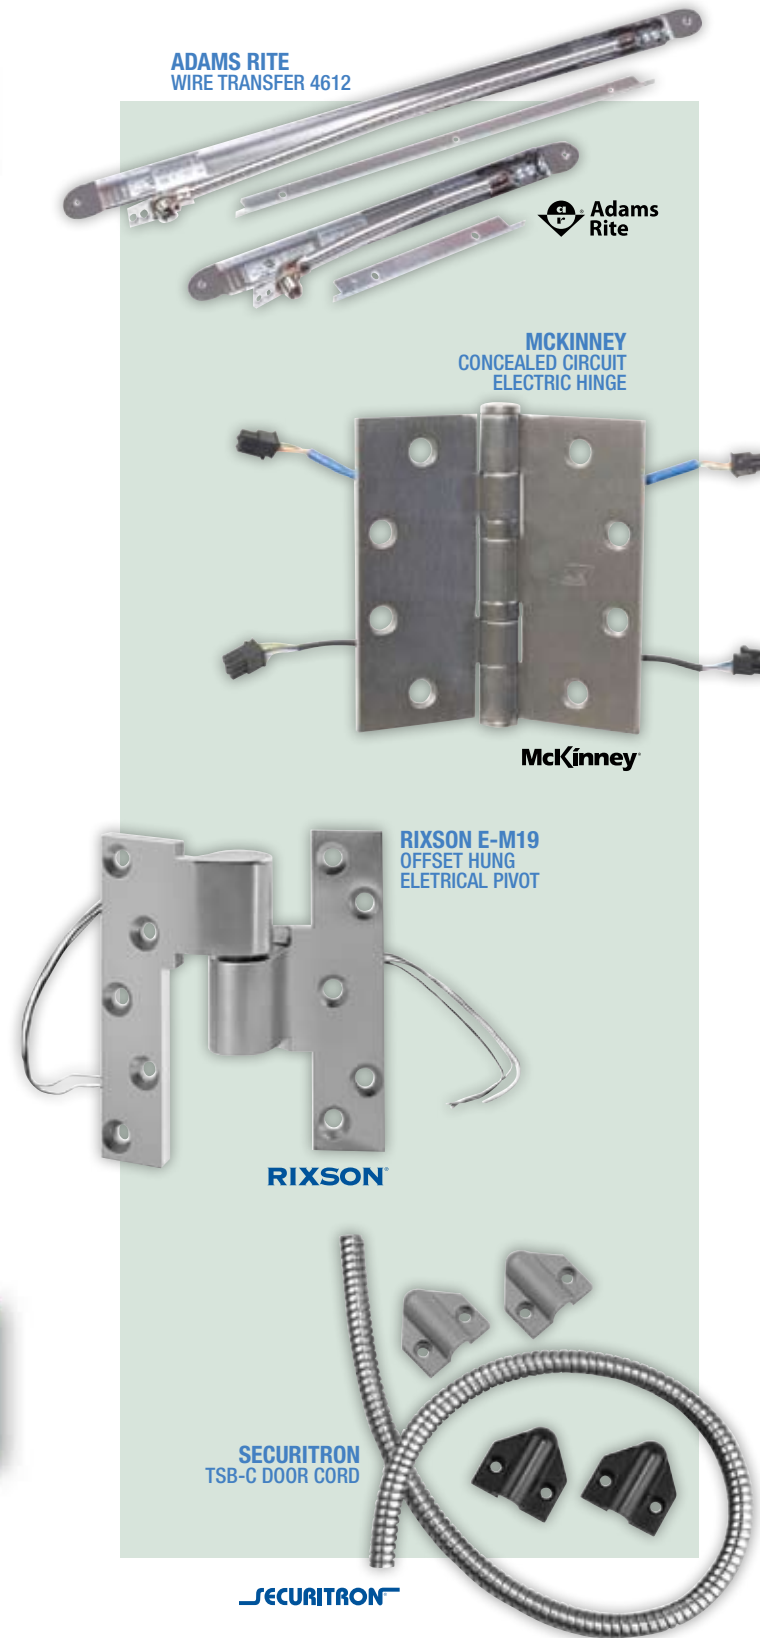

## SARGENT

**SARGENT** access control products provide a broad selection of the latest technologies and features backed by ANSI/BHMA Grade 1 mechanical hardware, integrated in attractive, sleek, architecturally-pleasing designs. Sargent access control products are available in wireless, online and offline versions.

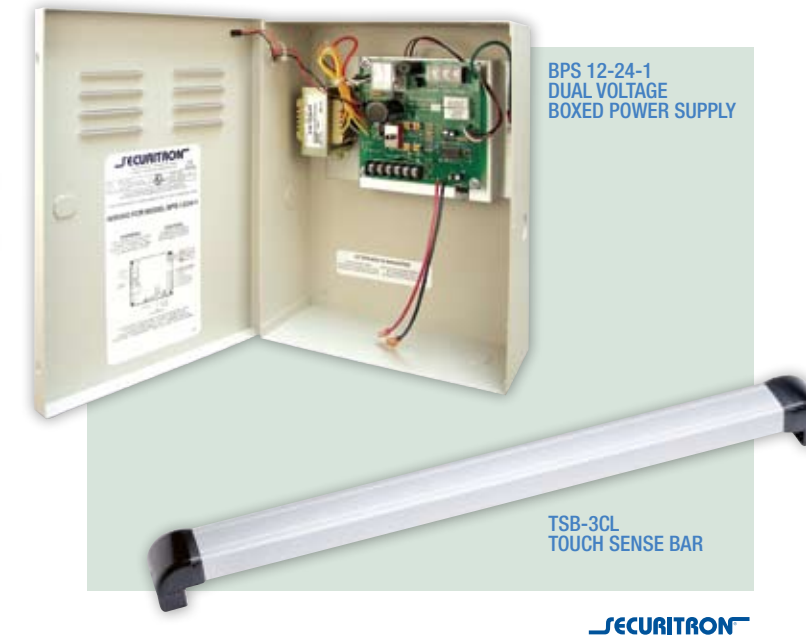

## POWER TRANSFERS

Access Hardware Supply offers a complete range of power transfer options from leading manufacturers such as **ADAMS RITE**, **MCKINNEY**, **RIXSON**, and **SECURITRON**. Feel free to call one of our door hardware experts for more information on access control products and accessories.

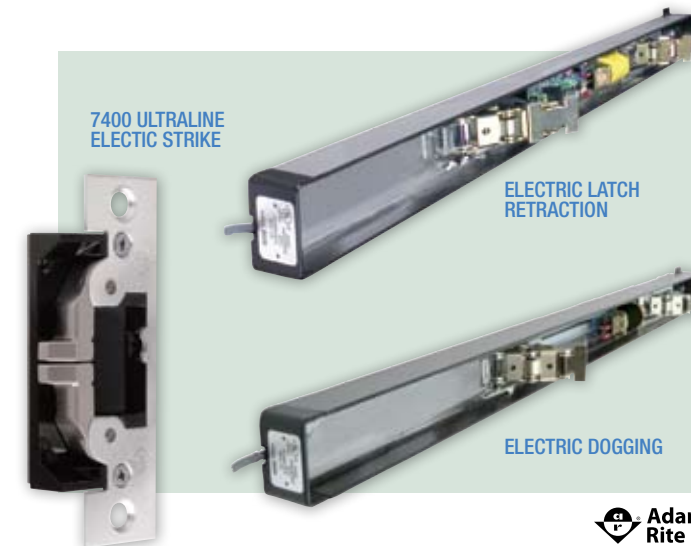

## SECURITRON

**SECURITRON** manufactures a comprehensive line of quality electro-magnetic locks and accessories, including Magnalock® Series maglocks, gate locks, the UnLatch, SABL, touch sense bars, power supplies, digital entry systems and numerous other products. Their unique MagnaCare™ Lifetime Replacement Warranty covers most products for the lifetime of the installation.

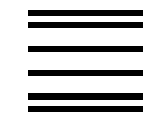

## ADAMS RITE

**ADAMS RITE** Manufacturing has earned its reputation as a leader in architectural hardware by continually offering innovative lines of electric strikes, exit devices, swinging door, sliding door and access control hardware. Their products are designed to complement the clean lines of modern doors, while at the same time meeting safety and access codes.
