

DESIGNED SECURITY, INC.

A Detex Company

Pricing and Options

This section of the catalog contains the published list prices for the following **Designed Security, Inc.** product lines:

- Access control products
- Annunciator products
- Optical turnstiles
- Tailgate detection
- Full height turnstiles

Prices for custom products will be furnished at list price, on an RFQ basis and the assigned Security Integrator discount levels will apply to these products.

For additional product information, technical assistance or to place an order please contact DSI:

Phone: 512-321-4426 or 800-272-3555

Fax: 512-321-9181

1. All **prices quoted** in United States Dollars. Terms are: Prepay by check or cash prior to shipment or COD. Net 30 upon approved credit, or prepaid wire transfer upon approval. For cash in advance orders, remittance must be received before goods ship. **All payments must be made in U.S. Dollars. All prices are subject to change without notice.**
2. **Purchase Orders** are required with all orders and must be written, signed by an authorized party, and received in original or facsimile form.
3. Expedite Fee of 20% may be added to any custom orders needed faster than quoted lead time. Expedite of Custom Orders may not be possible on every Custom Product. Please contact DSI for information.
4. All **shipments** are FOB Factory (Bastrop, Texas) and applicable Sales and Use tax will apply.
5. A **35% deposit** is required on all Optical Turnstiles and certain custom orders, and is due with signed submittals.
6. A **crating fee** of \$200 per bollard will be charged for all Optical Turnstile orders.
7. **Non-stock items** are subject to industry standard lead times.
8. Designed Security, Inc. **warranties** the Door Management and Annunciator products for one (1) complete year and all of the turnstiles for three (3) complete years from date of purchase. This includes the Optical Turnstiles and Full Height Turnstiles.
9. The purchaser shall **inspect the goods** upon receipt to determine that they are free of any defects or deficiencies. If the purchaser is not satisfied with the validity of the goods delivered, Designed Security, Inc. is to be advised immediately. Claims on defective products do not apply to products that have been subject to misuse (including static discharge), neglect, accident, modification, or products that have been soldered or altered. The issuing of credit or replacement of goods deemed defective is Designed Security, Inc.'s sole obligation, and in no event shall Designed Security, Inc.'s liability exceed the purchaser's original price.
10. In no event will Designed Security, Inc. be **liable** for lost profits, lost production, consequential or incidental damages arising out of, or relating to, any alleged or actual breach of warranty, negligence, strict liability in tort, delay in shipment, innocent or negligent misrepresentation, omission, or otherwise.
11. For **replacement or refund**, the defective products must be returned within thirty (30) days of the invoice date, accompanied by a copy of the invoice, and a Return Merchandise Authorization number (RMA) obtained from Designed Security, Inc. Goods returned without an RMA will be refused. If advanced replacement is necessary, a **Purchase Order is required**. If no problem is found with the unit in question, it will be returned and both the original and the **advanced replacement invoices will become due for payment**. Any product returned as a result of customer error must be returned within thirty (30) days of the invoice date and is subject to a restocking fee of twenty percent (20%). The product must be unused and the customer will pay the shipping fees to return the product.
12. Designed Security, Inc. is **not responsible for damage** incurred while the merchandise is in transit. The purchaser must file claims for loss or damaged goods in transit with the carrier.
13. Designed Security, Inc. reserves the right to make **product enhancement changes** without prior announcement.
