Product Warranty

Every PBB product has been carefully engineered and manufactured in accordance with ANSI & BHMA specifications to be free from defects in workmanship and/or material under normal use and condition. PBB's liability under all warranties, expressed or implied, shall be limited to replacement of defective goods only.

This warranty covers PBB hinges if specified and installed on commercial or architectural type buildings for the life of the building on the mechanical functions only.

This warranty does not cover defects or damage arising from improper installation, lack of/or improper maintenance, improper storage, improper frequency or weight applications, misuse, abuse, accident, unauthorized service, or use with unauthorized non-PBB products or parts.

This warranty covers only the PBB antifriction/ball bearing type hinges in five knuckle or three knuckle configurations. This warranty covers PBB hinges only if originally specified on the work or the product becomes accepted and approved as a substitute by the architect/owner and applied in accordance with PBB guidelines in the general specifications section of our catalog and ANSI/BHMA standard A. 156.1 grade requirements.

Model SP81, 4½" Spring Hinges are guaranteed for 1,000,000 cycles and PBB will warrant this product for five (5) years on mechanical functions only. Spring hinges for replacement guaranteed if specified, approved, applied and adjusted in accordance within PBB's guidelines, general specifications and installation instructions. Spring hinges are to be installed in conjunction with hinges of the same type or with ball bearing type only, failure to comply will void warranty. The above is determined according to ANSI standards and in accordance with Underwriters testing requirements for door holder closers, with or without integral smoke detectors.

PBB has retained Intertek Testing Laboratories/Warnock Hersey International and Underwriters Laboratories to test all products to the required ANSI/BHMA specifications and is under constant testing and examinations to insure that the quality of our products, continue to meet these requirements.

Based upon the results of examinations, factory testing and independent testing presented by company engineers as they relate to established and accepted engineering practices, all PBB products have been carefully engineered and manufactured under strict accordance and are judged to have passed all requirements set forth by ANSI/BHMA A156.1.2000, A156.7.1997, A156.17.1997 and A156.18.2000.

Written notice of a product or component part believed to be defective as covered by this warranty should be sent to PBB, Inc., 1311 E. Philadelphia Street, Ontario, California 91761, and should include your name and address, an identification of the product or component part, with a brief description of the defect. Upon receipt of such notice, the company will inform you where to ship such product or component part, shipping charges prepaid, for examination and, in the event such examination reveals a defect covered by this warranty, the products will be replaced.

Concealed Electric Through-Wire & Monitor

This combines the U.L. approved continuous electrical through wires and the miniature hinge leaf switch and hinge leaf magnet to provide continuous circuit and monitor capabilities.

Full mortise ball bearing, standard weight and heavy weight in steel, brass and stainless material.

NRP NOT NECESSARY

To order use symbol "EMW" as suffix.

Extra Charges:	EMW-4 (4 wire)	\$100.00 per hinge
	EMW-6 (6 wire)	\$115.00 per hinge
	EMW-8 (8 wire)	\$115.00 per hinge

Please call for current EMW hinge template

To establish price - take cost of the hinge specified and add the above modification charge - **modification prices are net.**

Hospital tip feature is available on electric hinges. Please call PBB for prices and lead times.

Stainless Steel hinges add 10% to the modification cost.

***NOTE: Purchase orders placed for electric modification are noncancellable.**

For other applications call PBB or your local representative.
