Wikk Industries, Inc.

Designer and Manufacturer of **AccessAbility™** Automatic Door Activation Solutions

6169B Industrial Court, Greendale, WI 53129-0167 Phone 1-877-421-9490 Fax 1-877-421-3158 www.wikk.com

Effective 10/1/06

PRICING These prices replace any and all previously published prices (incl. verbal prices). The price shown is List Price. All prices shown are in US Funds, and payment must be made in the same. Prices are subject to change without notice. Errors and/or omissions are subject to correction. Freight is additional unless specified otherwise.

TERMS of SALE All orders from new accounts are generally C.O.D. (Cash On Delivery), C.I.A. (Cash In Advance), or by Credit Card (American Express, Discover, Master Card & Visa) unless waived to Net 30 by Credit Manager. Approved Account Customers are strictly Net 30 Days. If customer account exceeds 30 days, Wikk reserves the right to hold all orders until account becomes current. 1.5% Interest will be charged monthly on overdue accounts. Wikk does not agree to be bound by any terms and/or conditions set by buyer unless specifically agreed to in writing by Wikk Credit Manager.

ORDERING Wikk has a \$25.00 net product minimum order amount. All orders are subject to acceptance by Wikk. All verbal orders are at customer's own risk. Cancellation of Special orders will incur a minimum 50% to 100% charge depending on production status. Please review your order acknowledgement carefully.

SHIPPING All in-stock orders received before 11 AM CST will ship that same day. For custom engraving and/or special finish products, please anticipate a 14 day lead time. Some special bollards may require a 3-4 week lead-time. Unless a specific carrier is requested, we will ship the most suitable way. In most cases this is UPS ground. All drop shipments are subject to an extra \$5.00 charge. Consignee takes on all responsibilities of reporting any claims resulting from damages, loss or delay to carrier. Wikk will render all reasonable

RETURNS No stock may be returned without prior authorization from Wikk. All returns must be shipped to us Prepaid and Insured. Orders will be reshipped UPS Ground at no charge, or stock received at our expense, if error is caused by Wikk. Expedited freight is available at extra charge. Defective material must be accompanied by proper documentation of complaint, and a copy of the RGA (Return Good Authorization), received by fax from Wikk. The value of goods returned, are subject to appraisal by Wikk as to condition and re-salability. Custom Engraved and/or Special Finish products are non-returnable.

RESTOCKING CHARGES:

- 15% Goods returned unused and in original packaging within 30 days (Excluding bollards).
- 25% Goods returned unused and in original packaging within 30-90 days (Including bollards).
- 50% Goods returned unused and in original packaging over 90 days, or, previously installed goods.

WARRANTY

Wikk Switches and Bollards are warranted 18 months from the date of shipment.

Multi-Code receivers and hand-held transmitters are warranted by the manufacturer for 18 months from the date of manufacture. SWTRAN, SWTRAN M, BOLTRAN and Vestibule Sequencers in both frequencies are warranted by Wikk Industries, Inc. for 1 year from date of sale.

This warranty does not cover damages resulting from misuse, abuse, or if customer alterations or modifications have been made to the product.

For every 20 switches ordered, we include 1 ergonomically shaped installation wrench for free!
(also available for purchase @ \$7.00 list each)

| | | | 50+ | \$40.00 |
| 3380 VS 300F | Switch operation | Wireless Vestibule Sequencer 300 Freq. Pre-wired, 2 channel transmitter connected to sequencing (timing) board. Transmitter: Multicode by Linear | 1+ | \$225.00 |
| RECEIVER 1 CHAN | | RECEIVER 1 CHAN nel, 12 or 24V, AC/DC, 300/310 Frequency 4 terminal operator connections. Includes 9-1/2" whip antenna, 3' coaxial cable, bulkhead connector and mounting hardware. 3-5/8" W x 5-1/2" H x 1-1/2" D Multicode by Linear | 1-9 | \$72.00 |
| | | | 10-24 | \$62.00 |
| | | | 25+ | \$54.00 |
| RECEIVER 2 CHAN 2 WK LEAD | | RECEIVER 2 CHAN nels, 12 or 24V, AC/DC, 300/310 Freq. 6 terminal operator connections. Includes 9.5" whip antenna, 3 ft. coaxial cable, bulkhead connector and mounting hardware 3-5/8" W x 5-1/2" H x 1-1/2" D Multicode by Linear | 1-9 | \$121.80 |
| | | | 10+ | Req. quote |
| | | | | |
| ALT ACT'N RELAY | | AL ternate ACTI ON RELAY Changes momentary switch action to maintained for push-to-open, push-to-close activation. Hard-wires to operator. 2" x 1-1/2 x 3" | 1+ | \$168.00 |
| SEQ. & LOCK RELAY | | Door SEQ uencing/Electric LOCK (Strike) RELAY Creates a momentary delay before switch activation to allow the release of another device. Hard-wires to operator. 1-3/4" x 2-1/2 x 1". | 1+ | \$200.00 |
| 24V 40VA TRANS | | Transformer to convert 120V AC to 24V AC. 2-1/2" H x 2-1/4" W x 2" H | 1+ | \$61.40 |

SQUARE BOLLARD POSTS

- To comply with all 50 states' guidelines, our standard 1-gang prep is located 36" from the finished floor
- All bollards are fitted with a removable HDPE (high density polyethylene) cap unless noted differently
- Custom prep heights, size and locations are available, as well as various bollard options – see Page 19
- Not all finishes and configurations listed here are stocked, whether noted or not; please call to confirm
- **SQUARE BOLLARD PRICING DOES NOT INCLUDE A SWITCH OR A SWITCH PRICE. This is for you to choose per application**
- SURFACE MOUNT and IN-GROUND bollards are listed in the same grid because they are the same price

BPS SM = **B**ollard **P**ost **S**quare, **S**urface **M**ount

Height - 42" from Finished Floor with 1-gang prep @ 36" from FF

BPS IG = **B**ollard **P**ost **S**quare, **I**n-**G**round

Height - 42" from FF + 12" below grade, with 1-gang prep @ 36" from FF
