

Access Hardware Supply now offering Paxton Access Product Line

Access Hardware Supply is pleased to announce that they have joined forces with Paxton Access, Inc., the US division of Paxton Access Ltd., an internationally known British manufacturer of access control products, to offer the full line of Paxton networked access control systems throughout North America.

This new alliance means that Paxton products will be stocked and available for immediate shipment. Paxton and Access Hardware Supply will also offer hands-on training, webinars, and the innovative Paxton Solution Center application to assist with developing initial quotes and creating customer presentations.

Paxton Access Ltd. has delivered innovative access control solutions to the marketplace for 25 years. Currently the largest provider of access control solutions in Europe, Paxton is now poised to achieve success in the North American market. For more information, visit www.paxton-access.com or load the new Paxton Solution Center application by contacting Access Hardware Supply directly at (800) 348-2263.
